**Install Android Mobile Client App**

To install and open the Android Mobile Client App, perform the following steps.

Step	Action
1	<p>Click the Installation link within the MiCollab email.</p> <div data-bbox="516 625 1490 821" style="border: 1px solid black; padding: 5px;"> <p>Step 1 - Download and installation of the Client:</p> <p><b>Installation on Mobile Devices</b></p> <p>If you would like to download the MiCollab Mobile Client on your mobile device please use the appropriate App-Store links to start the download process:</p> <div style="display: flex; justify-content: space-around; align-items: center;">    </div> </div>
2	<p>Click <b>Install</b></p> <div data-bbox="768 863 1240 1703" style="border: 1px solid black; padding: 10px;">  <p>The screenshot shows the Google Play Store interface for the 'MiCollab for Mobile' app. At the top, the Mitel logo and tagline 'Powering connections' are visible. Below that, the app name 'MiCollab for Mobile' is displayed along with 'Mitel Android' and 'Everyone' age rating. A prominent green 'INSTALL' button is highlighted with a red rectangular box. Underneath, there are statistics: 10 THOUSAND Downloads, a 3.8 star rating, and icons for Productivity and Similar apps. At the bottom, a note states 'The all new MiCollab Client is for MiCollab release 7.0 and higher only.' with a 'READ MORE' link.</p> </div>
