

# Unlimited Digital Voice Voicemail Navigation Map

(Applicable for FiberOptic Digital Voice customers in IN and Frontier Digital Voice customers)

You can operate your voicemail using the quick menu map below on your phone. For example, you can listen to a message by pressing '1'. After listening to the message, you can save the message by pressing '#', or delete it by pressing '3'.

To access this menu, dial \*100 from your telephone Or dial 1.844.994.4993 and enter your phone number and passcode.

\* Up to 5 secondary mailboxes can be set up by the primary account owner, each with a unique PIN and greeting and notification options.
