

VOICEMAIL NAVIGATION MAP

Unlimited Digital Voice

(Applicable for Fiber Digital Voice customers in IN and Frontier® Digital Voice customers)

You can operate your Voicemail using the quick menu map below on your phone. For example, you can listen to a message by pressing **[1]**. After listening to the message, you can save the message by pressing **[#]**, or delete it by pressing **[3]**.

To access this menu, dial *100 from your telephone OR dial 1-844-994-4993 and enter your phone number and passcode.

* Up to 5 secondary mailboxes can be set up by the primary account owner, each with a unique PIN and greeting and notification options.
