

Minnesota Channel Lineup

Effective September 2021

WELCOME

As a **Frontier TV** subscriber, you can also stream live channels and watch On Demand titles on the FrontierTV app on your supported iOS and Android mobile devices, as well as at our tv.frontier.com website in the USA. Frontier offers two ways to watch TV Everywhere content. Go to <https://frontier.com/tveverywhere> to learn more. The availability of streaming content depends on your Frontier package and the content made available from various programmers. Certain channels are not available in all areas. Some live streaming channels are only available through the FrontierTV app and website when customers are at home and connected to Frontier equipment via Wi-Fi.

Also, programmers like HBO, ESPN and many others have TV Everywhere products that Frontier TV subscribers can access and watch. These partner products are available at <https://frontier.com/resources/tveverywhere>.
