

Vantage™ TV by Frontier®

Minnesota Channel Lineup

Effective September 2020

WELCOME

Vantage™ TV by Frontier® offers Frontier TV Everywhere, an app that allows Frontier customers to stream much of their subscribed live TV and On Demand content wherever and whenever they want via an Internet-connected computer, tablet or smartphone in the USA. Frontier offers two ways to watch TV Everywhere content. Go to <https://frontier.com/tveverywhere> to learn more. The availability of streaming content depends on your Frontier package and the content made available from various programmers. Certain channels are not available in all areas. Some live streaming channels are only available through the Frontier TV app and website when customers are at home and connected to Frontier equipment via Wi-Fi.

Also, programmers like HBO, ESPN and many others have TV Everywhere products that Frontier TV subscribers can access and watch. These partner products are available at <https://frontier.com/resources/tveverywhere>.
